Description

An Exceptional Coastal Residence with Panoramic Ocean Views

Positioned in one of the development's most coveted locations, this extraordinary 510 m² villa forms part of an intimate collection of just six exclusive residences. Designed over three beautifully planned floors, every space has been carefully conceived to combine effortless living with uninterrupted, heart-stopping views stretching across the Indian Ocean to Le Morne and the Black River mountain range.

From the moment you arrive, the home leaves a lasting impression. A welcoming entrance lobby cleverly conceals the oversized double garage behind discreet architectural detailing, while opposite, a spacious guest suite enjoys complete independence with its own entrance, private terrace and secluded garden—ideal for visiting family, guests or live-in staff. This floor also incorporates an exceptionally large storeroom together with a practical dumbwaiter linking the garage directly to the main living area, making groceries and luggage wonderfully effortless to transport.

Ascending the elegant timber staircase, the home unfolds into a spectacular open-plan living environment where soaring ceilings and expansive glazing create an impressive loft-inspired atmosphere. The designer kitchen, dining room and lounge merge seamlessly with a wraparound terrace and striking rim-flow pool that appears suspended between sky and sea.

The beautifully appointed kitchen is complemented by a spacious utili ...
